Dear Ms. Ammari:

We have completed our review of the *Cucamonga Valley Water District Hazard Mitigation Plan* and have determined that this plan is eligible for final approval pending its adoption by the State of California Governor's Office of Emergency Services for review.

Formal adoption documentation must be submitted to the FEMA Region IX office by the jurisdiction within one calendar year of the date of this letter, or the entire plan must be updated and resubmitted for review. We will approve the plan upon receipt of the documentation of formal adoption.

If you have any questions regarding the planning or review processes, please contact the FEMA Region IX Hazard Mitigation Planning Team at fema-r9-mitigation-planning@fema.dhs.gov.

Sincerely,
